Dear Sheldon:

I am writing to confirm my request made to you and Dr. McCallister at our meeting on December 20, 1984, for partial support for the Summer Meeting of The American Society for Cell Biology, in the sum of \$2,500. You kindly indicated this would be feasible, and, on behalf of The Society, we greatly appreciate your help in this regard. Acknowledgement of your support will be made in the program, and a place held for a member of your staff to attend the meeting, if so desired.

It was a pleasure to see you and Dr. McCallister, albeit so briefly. I hope you will drop by again in the near future.

With all best wishes for 1985,

Sincerely,

A handwritten signature in cursive ink that appears to read "Morris".
